

“The Technology of Crappie Fishing”

We would personally like to invite you to join us at Crappie Expo 2024 in Branson, Missouri November 1-3, 2024 at the Branson Convention Center. This is Crappie Expo’s 6th year!

Crappie Expo is the largest crappie show on earth and has lifted the attention by leaps and bounds to the sport of crappie fishing. Crappie Expo is designed to enhance the growth of the crappie fishing industry, where manufacturers can showcase their new and best-selling products to crappie fanatics across the nation. In the past five years, Crappie Expo attracted over 100,000 crappie fans from Virginia to California and Canada to Florida. We were Live Streaming on the Mr. Crappie YouTube and Facebook page to over 100,000 viewers last year. Crappie Expo was well represented with 32 states attending and over 100 companies from all over the country, including 6 major boat companies and many regional tackle dealers. Crappie Expo is a family focused entertainment event with product demos, fishing seminars, giveaways, and more!

The Mr. Crappie Invitational Classic will be held in conjunction with the Crappie Expo. 100 of the top Crappie Teams in America will be competing for a record setting payout, the richest crappie tournament in history. If that’s not enough, be sure to check out the “World’s Largest Crappie Fry” sponsored by RV Cajun Cookers, Savannah Hushpuppies, and Benefit the Badge. Fresh crappie will be served on Saturday November 2, 2024 beginning at 11am. The World’s Largest Crappie Fry is FREE to all Crappie Expo attendees and all the vendors. Mmmm Good!!
